

# Aleksandr Baranov

Frontend developer, UX&UI Designer

## EXPERIENCE

### Frontend developer

Sotbit

May 2019 - jul 2020 - 1 year, Mogilev

Worked with project teams to create user-friendly and appealing application interfaces and websites for users. Met with project manager, business analyst and architect right from beginning of project, creating rough mock-ups that were refined and extended over many iterations. Adjustments to mock-ups as necessary to address problems encountered..
